THE SCHOLARSHIP EXPERIENCE FOR ASPIRING NEW ZEALAND GOLFERS

Michael Campbell Foundation

Values

In Maori culture, the concept of receiving with one hand is connected to giving with the other – Michael’s grandmother taught him this.

The motivation behind the establishment of the Michael Campbell Foundation (the “Foundation”) is to fulfill Michael’s feeling of responsibility to reciprocate the inspiration and encouragement that has helped him throughout his career and life.

Michael believes that achieving full potential comes from setting goals at a young age and working hard towards meeting them. The earlier people are inspired to reach for their dreams the greater the chance they will have of meeting them.

Ultimately Michael wishes to make a contribution towards ensuring more New Zealanders dominate their chosen field on the international stage.

Mission Statement

The mission of the Michael Campbell Foundation is to inspire young New Zealanders to realize their full potential. This will be achieved by building a “Talent Pyramid” based on healthy lifestyle, discovering natural talent and nurturing excellence.

The Michael Campbell Foundation Scholarships

In pursuit of the Michael Campbell Foundation’s ‘Nurturing Excellence objectives, a scholarship partnership with New Zealand Golf has been created.

This year, two scholarship recipients will be selected to attend a training camp with Michael in Europe.

The scholarship covers all associated costs for the recipients including travel, accommodation, and related expenses.
