THE SCHOLARSHIP EXPERIENCE FOR ASPIRING NEW ZEALAND GOLFERS

Michael Campbell Foundation

Values

In Maori culture, the concept of receiving with one hand is connected to giving with the other – Michael’s grandmother taught him this.

The motivation behind the establishment of the Michael Campbell Foundation (the “Foundation”) is to fulfill Michael’s feeling of responsibility to reciprocate the inspiration and encouragement that has helped him throughout his career and life.

Michael believes that achieving full potential comes from setting goals at a young age and working hard towards meeting them. The earlier people are inspired to reach for their dreams the greater the chance they will have of meeting them.

Ultimately Michael wishes to make a contribution towards ensuring more New Zealanders dominate their chosen field on the international stage.

Mission Statement

The mission of the Michael Campbell Foundation is to inspire young New Zealanders to realize their full potential. This will be achieved by building a “Talent Pyramid” based on healthy lifestyle, discovering natural talent and nurturing excellence.

The Michael Campbell Foundation Scholarships

In pursuit of the Michael Campbell Foundation’s ‘Nurturing Excellence objectives, a scholarship partnership with New Zealand Golf has been created.

Each year, three scholarship recipients will be selected to attend a training camp with Michael and his coach in Australia.

The scholarship covers all associated costs for the recipients including travel, accommodation, and related expenses.

9. All applicants will initially be screened down to a maximum of ten finalists by a New Zealand Golf panel including the New Zealand Golf Talent & Coach Development Manager, the Chairman and one Trustee from the Board of Michael Campbell Foundation.

These finalists will be interviewed by the panel above on Monday 18th April, at a suitable time for the players, on the scheduled practice day prior to the Lion Foundation New Zealand Amateur Championship. **Players will need to be available on this day to be interviewed and therefore be eligible for selection to the programme.** Those selected for the interview process will be informed of their schedule; some flexibility will be given to allow for their tournament preparation routines to occur.

The panel will make a recommendation to a Scholarship Recipient Panel including Michael Campbell, who will screen the applicants down to three recipients. This judgement will be based upon a final assessment generated of the finalists' CVs and personal interviews with each finalist.
