

## 9-HOLE LGU TERMS OF COMPETITION

New Zealand Golf will give annually to each Club one 9-Hole LGU medal for competition amongst 9-Hole members.

- The **9-Hole Medal Division** is Handicap Indexes up to 54.0

The medal will be awarded for the New Zealand Golf year (January to December) and forwarded in August/September to the club.

### (a) **Definition**

The 9-Hole LGU Medal competition is a medal competition authorised by the Club committee each year. There shall be a minimum of six and a maximum of 12 9-Hole LGU Medal competitions programmed annually.

### (b) **Club Medal Days**

- The dates for 9-Hole LGU Medal competitions must be fixed and published at the beginning of the year. They may be programmed more than once a month during the playing season. A Club may hold more than one 9-Hole LGU Medal competition in the same week. (*Note: 9-Hole LGU Medal rounds may be scheduled to be held simultaneously with the three 9-Hole Home Links (Sue Bunt Salver) rounds.*)
- The current Handicap Index on the day of play is to be used.
- When a Club has more than one course the 9-Hole LGU Medal competition rounds need not all be played on the same course throughout the year.
- Change of Date: Any change of date, or cancellation of any round, is at the discretion of the organising committee.

Such postponed round/s must be played within two calendar months of the date originally fixed, and not later than 31 December of the current year.

Where a Club has more than one club day, each is treated as a separate entity and postponement or cancellation of one would not affect the other.

- Individual Clubs set their own policy for use of a motorised cart in the 9-Hole LGU competition.
- It is recommended Clubs adopt the Alternative to Stroke and Distance Local Rule – Model Local Rule E-5

### (c) **Eligibility**

- All 9-Hole Full Playing Members who hold a Handicap Index are eligible to compete in the 9-Hole LGU. (*'Full Playing Member'* means a full, active 9-Hole member of a Club.) Scores returned in the 9-Hole LGU Medal competitions are the only ones eligible to count for the medal. Should only one player compete in a 9-Hole LGU Medal scheduled competition round, her score must be recorded and count for 9-Hole LGU Medal purposes.
- A player need not return more than four scores.
- There shall be no compulsory entrance fee for players competing in a 9-Hole LGU Medal competition, but the committee may make its own conditions regarding entry fees for any club prizes given in connection with the 9-Hole LGU Medal competition.
- A player who is a 9-Hole Full Playing Member of more than one Club is entitled to compete in 9-Hole LGU Medal competitions at each of these clubs, and may play in two 9-Hole LGU Medal competitions on the same day, provided they are not played on the same course.

(d) **Draw**

Clubs may wish to draw players in Handicap Index order, but this is not compulsory.

(i) The Medal shall be awarded to the player with the lowest aggregate of best four plus/minus par scores returned in 9-Hole LGU Medal competitions.

(ii) Example of a player's best four plus/minus par scores:

$$\text{Gross Score} - \text{Course Handicap} = \text{Net} - 50\% \text{ PCC} - \text{Par} = +/- \text{ Par}$$
